OUR MISSION

The Chris Klug Foundation inspires and educates individuals to increase registration for organ, eye, & tissue donation. Through our programs, we reach hundreds of thousands of people each year, equipping them with the facts about organ donation so they can make educated decisions.

INSPIRATION

EDUCATION

REGISTRATION

OUR TEAM

Letter from the Executive Director

I joined the Chris Klug Foundation as the Executive Director on October 3rd, 2022. While I was only at the helm for the final three months of the year, it was incredible to see what our organization was able to accomplish in that time. I am impressed and humbled by the volume of notable accomplishments my current co-worker and the previous ED executed during the nine months prior to my onboarding. You will see evidence of this throughout the rest of this report.

I am excited to be a part of a mission that I feel passionately about. I have been a registered donor since I received my driving permit at 15, and have been avidly donating blood for years. But my strongest connection to the donation and transplantation communities are through my father. In 2015, my dad received a lifesaving heart transplant. While we do not know anything about his hero donor, I am grateful and thankful every day for the incredible gift they and their family gave me and my family. Organ, eye, and tissue donation is a beautiful thing, and I am honored to be an advocate for it with CKF.

In my short 3 months with the Foundation, I was able to speak with local high school students at the GlenX career expo at the Rifle Rodeo Grounds, experience the incredible energy of the New York City Marathon as a charity partner, and help successfully execute the 17th Annual Summit for Life on Aspen Mountain, with over 400 participants!

CKF is small but mighty. We have a team of two, but a reach that stretches further every year. We are so thankful for the continued support from our financial donors, our volunteers, our Board, and our partner organizations from 2022. We have big ideas for 2023 that are already being implemented, and we are so excited to see where we can take this organization.

FINANCIAL SUMMARY

CKF

In 2022, **88%** of CKF's money went toward funding new and existing programming.

CKF is also a **GuideStar Platinum Nonprofit** and a **Charity Navigator 4-Star** charity.

INSPIRATION

Webinar Series

CKF hosted **8 Webinars** in 2022 on various topics, including: myths and misconceptions, women in transplant, lung, heart and liver transplants, housing and transplantation, and more. We aimed to highlight areas of transplantation and donation that usually go unaddressed. We were joined by **18** speakers from all areas of the transplant community across the US, and **294** attendees. A further **89,194** were reached through social media.

Patient Ambassadors

In 2022, our **Patient Ambassadors** continued to work hard spreading the organ, eye, and tissue donation message in their areas. While we could not return to hospitals, our Ambassadors advocated with with events in their communities, and spoke on many of our Patient Ambassador Webinars.

EDUCATION

Donor Dudes

In 2022, **Donor Dudes** reached many new communities across the country. We helped students and individuals host **13** awareness events, reaching over **4,150** people in person, and a further **6,410** through social media.

Toolkit for Teachers

Our **Toolkit for Teachers** received a complete revamp in March of 2022, and was relaunched with **3** new options. We now have Toolkits for Elementary, Middle, and High School students to assist them in their organ donation education. The Toolkit was downloaded by **66** schools and individuals, and we were thrilled with the great feedback we received.

BOUNCE BACK GIVE BACK

In 2022, we welcomed two more **Bounce Back Give Back Award** winners, and celebrated their successes for the transplant community. We were finally presented with the opportunity to celebrate our 2020, 2021, and 2022 winners at our Wine and Dine and Summit for Life events. At these events, the recipients joined us in person and shared their powerful stories with attendees. We would like to recognize the loss of 2021 Bounce Back winner Jim Gleason, who passed away from Pancreatic Cancer on August 26th, 2022. He was such a light in the community, and we were humbled to honor him with this award.

2022 Winners

Jen Lentini

Heart Transplant Recipient

Bill Soloway
Heart Transplant Recipient

BILL SOLOWAY

Yardley, PA, local William "Bill" Soloway is one of CKF's 2022 Bounce Back Give Back winners. Bill received his life-saving heart transplant in 2015 from an anonymous donor. He works hard to honor the gift of life they so graciously gave him, focusing on engaging in an active lifestyle, including competing in local events and the US Transplant Games.

An active lifestyle is important to Bill as he regularly competes in local athletic events. As a valued member of Team Philadelphia for the US Transplant Games, he won medals in 2016, 2018, 2020, and 2021! Bill has not only been honored in sports, but also by winning the American Red Cross 2017 Community Give Life Hero Award, and the 2017 Help Hope Live Award. Bill has worked with CareDx on the AlloCare app for transplant patients as a developer and beta tester.

Since day one post-transplant, Bill has been working to support those within the transplant community, and promote organ, eye, and tissue donation, by taking an active role in many organizations or initiatives. In 2015, Bill became an ambassador and speaker for the Gift of Life Organ Donor Program, a position he continues today. Bill has previously won the Gift of Life Donor Program Soapbox Award, along with volunteering and being a Board member of the Gift of Life Family House. Bill partnered with the Hospital of the University of Pennsylvania's Transplant Institute to mentor families and patients through individual programs and speaking events. Additionally, he has participated with his local Transplant Recipients International Organization (TRIO) chapter to bring a virtual mentoring program to local hospitals.

Bill has been a member of TRIO since 2015, and has served as the TRIO Philadelphia chapter president since 2020. He is also an ambassador and speaker for the United Network for Organ Sharing (UNOS). Finally, Bill has been heavily involved with the Masonic Blood+Organ Donor Program (MB+ODP) as a volunteer, Board member, and Chairman over the years!

Bill is a well-known and well-respected member of the transplant community and is praised for his dedication to each transplant candidate, recipient, or potential organ donor.

JEN LENTINI

Hicksville, NY, local Jen Lentini is one of CKF's 2022 Bounce Back Give Back Award winners! At age 13, Jen collapsed at a lacrosse game. Combined with her complaints about abdominal pain, she was taken to the hospital and underwent exploratory surgery. During this surgery, Jen went into cardiac arrest leading to her Cardiomyopathy diagnosis. She remained in the hospital from April to July, awaiting her lifesaving transplant; Matthew would become Jen's angel donor after making the selfless decision to become an organ donor. Jen is 26 years post-transplant and carries Matthew's picture daily!

Jen has continued to live a healthy and active lifestyle post-transplant, gaining her yoga certificate and winning awards for baton twirling. She has developed a love for the wild side, including cage diving with sharks, flying in hot air balloons, piloting a small plane, bungee jumping, kayaking, and skydiving. Jen has competed and medalled at the U.S. Transplant Games, an Olympics-style event for donors, recipients, and donor families. Jen epitomizes living life to the fullest no matter the obstacles you may face.

Activity is not the only place Jen has continued to excel, obtaining her BSW in social work and advocating for transplant recipients and organ, eye, and tissue donation. It is hard to count how many lives Jen has touched working with numerous organizations across the country to combat the need for organ donors. Jen has volunteered with American Heart Association, Hearts for Russ, LiveOnNY, Long Island TRIO, New York Blood Center, and many more!

Jen regularly speaks in schools, churches, and hospitals to help spread the message of organ donation. Jen spoke on numerous occasions with professional baseball star and transplant recipient, Joe Torre. She says her biggest honor occurred when speaking at a school: a girl came up to her and said she had seen Jen celebrating her 10th transplant anniversary, which inspired her to become an organ donor.

Doug Housman, CEO of Hearts for Russ, states, "Jen has helped sign up hundreds of organ donors."

AWARENESS EVENTS

Our awareness events are critical for sharing our lifesaving message

NATIONAL DONOR DAY

Reached over **281,500** individuals

DONOR DASH

Reached over **4,700** individuals
